## Media Resources

The [College of Engineering](#) at [UC Santa Barbara](#) is dedicated to educating the next generation of engineering and science leaders to discover and apply breakthroughs in knowledge and technology. [UCSB Engineering](#) is recognized globally as a leader among the top tier of engineering education and research programs. Our programs are ranked consistently among the most prestigious Engineering institutions in the world.

UCSB Engineering is renowned in the areas of [materials](#), [electrical engineering](#), [photonics](#), [solid state lighting](#), [bioengineering](#), [nanotechnology](#), [chemical engineering](#), [computer science](#), and [mechanical engineering](#). Our graduates work in the fields of [energy efficiency](#), [technology management](#), [next generation electronics](#), [biotechnology](#), [robotics](#), [computer security](#), [cloud computing](#), [materials engineering](#), and much more.
