

# College of Engineering's Prospective Student Presentations

## Undergraduate Engineering Opportunities at UCSB

The College of Engineering will offer a presentation showcasing engineering opportunities for prospective and admitted undergraduates during Spring Quarter 2014.

**Dates:** March 31 to April 18, 2014

Mondays through Fridays

NOTE: On Thursday April 10 there will NOT be a Prospective Student Presentation.

**Time:** 2-3pm

**Location:** ESB 1001

The **Engineering Sciences Building** is between the Chemistry Building and the P10 parking structure, on the eastern side of campus.

Pick up Engineering specific publications and get your Engineering questions answered at these presentations.

If you can't make a presentation, please visit the campus on **Saturday, April 12, 2014** for **Spring Insight**
