This form is intended for students changing majors within the College of Engineering.

- Please consult with the advisor in your intended major to ensure that you have met that major's requirements for the proposed change. Departments may require a study plan be submitted along with your petition.
- The change of major petition should be submitted to the proposed department advisor upon expected completion of prerequisites.
- Students admitted to the University as a Transfer Applicant (junior standing) may not change majors into or within the College of Engineering.

For change of College or Dual College requests please visit the Registrar's website for the *Undergraduate Petition for Change of College or Dual College* form: <https://registrar.sa.ucsb.edu/forms>
