**Please Note:** Events hosted in coordination between the College of Engineering and Career Services. Dates and times are subject to change. Check websites for most up-to-date information.

**Info Session:** An “Info Session” is a night devoted entirely to a company that we bring to campus. The company and its reps (sometimes UCSB alumni) present on their backgrounds, the type of work they do, and what you can expect to do if you were to work there. An Info Session is the best way to engage with companies on a personal level and get a good understanding and the culture of the company.
