Welcome to the College of Engineering
We are excited to welcome you to the College of Engineering this fall!

This presentation was put together to inform students about the College of Engineering at UCSB. In this presentation and the following you will learn about general education requirements, major requirements, College policies, student systems for registration, and helpful campus resources.

Please take your time going through the presentations. This information is important and it is your responsibility to understand the content or seek advising support if you do not understand.
If you have any questions after viewing these presentations, please contact the College of Engineering, Office of Undergraduate Studies to speak with an academic advisor. We are here to help!

Harold Frank Hall 1006
Open Monday-Friday, 9am-noon and 1-4pm
805-893-2809
coe-info@engineering.ucsb.edu
